Annexure - Recommended procedure for determining whether a person is disabled as defined by the Social Assistance Amendment Bill, 2010

Application for a disability grant

Listed condition

Medical assessment to determine if person has an impairment

Physical impairment

Mental impairment

No impairment

Does the physical or mental impairment substantially limit a person's ability to:
1. Maintain him or herself? or
2. Be gainfully employed?

In making this determination, the SASSA official shall not consider the potential ameliorating effects of medication or medical supplies with the exception of eyeglasses or contact lenses that correct the vision.

Yes

No

Does the person pass the means test?

Yes

No

Eligible for a disability grant

Not eligible for a disability grant
